Its hard to get tired of looking at this cow, she has to be one of the prettiest 80" plus T2T black and white cows in the breed! This is a true foundation cow that we are building our program around. She is a large framed cow, gentle, stays in great shape year round, A+ maternal traits with beautiful triple twisting horns. She is one of our top embryo donor cows, please check Progeny and Embryo tab for productivity results.

Total Horn: 88.5000 on 05/23/2013
TTT: 82.0000 on 05/05/2018
